Teaching the whole child is at the heart of everything we do at Lincoln. Our Positive Behavior Intervention and Support (PBIS) philosophy is a key piece of this focus. Lincoln Leopards are expected to demonstrate R.O.A.R.S. behavior across the campus. R.O.A.R.S stands for Respect Others, Own Your Actions, Always Do Your Best, Responsibility, and Show Empathy. These expectations are explicitly taught, modeled and reviewed throughout the school year. Lincoln students have multiple opportunities to be rewarded for their behavior on a daily, weekly, and monthly basis.
